

FLUKE 1630 GROUND RESISTANCE METER

ATM-FLU1630-2FC

FEATURES

- A compact, rugged clamp meter that enables non-intrusive leakage current measurement for earth ground loop testing
- Features a wide ground loop resistance range, from 0.025 Ω to 1500 Ω
- Measures ground leakage current, from 0.2 mA to 1000 mA, without needing to disconnect
- Measures AC current from 0.2 A to 30 A

SPECIFICATIONS

- Storage temp. range
 - -20°C to 60°C (-4°F to 140°F)
- Protection
 - IP30 according to IEC 529/EN 60529
- Weight
 - 750 g (1.165 lbs)
- Conductor size
 - 35 mm (1.38 in) approximately
- Dimension (L x W x D)
 - 276 x 100 x 47 mm (10.8 x 3.9 x 1.9 in)
- Battery life
 - ≥ 8 hours (continuous operation)
